

HUNTSMAN

BUILDING SOLUTIONS

Classic has been used in thousands of residential and commercial projects since 1986 setting the industry benchmark for quality and innovation. Huntsman Building Solutions Classic™ offers superior sound control and stable thermal performance for a more comfortable environment.

CLASSIC™

OPEN-CELL SPRAY FOAM

OPEN-CELL SPRAY FOAM

INCREASED ENERGY EFFICIENCY

Huntsman Building Solutions Classic spray foam insulation offers both insulating R-value and air barrier performance - allowing building occupants to minimize two major sources of heat loss/gain. The result can lead to a potential reduction in heating and cooling costs.

CONTRIBUTION TO LEED POINTS

Huntsman Building Solutions spray foam insulation solutions are vital contributors towards a home or building obtaining critical LEED (Leadership in Energy and Environmental Design) points. Huntsman Building Solutions Classic is 100% water-blown meaning it does not use synthetic blowing agents or ozone depleting substances.

PRODUCT FEATURES

- Core Density: 0.5 lb/ft³
- R-Value: R 3.7 per 1"
- Vapor permeable, supports bi-directional drying of assemblies
- Not considered a food source for mold
- Soft, flexible composition maintains an air seal even after seasonal expansion/contraction of building assembly
- Low global warming potential (GWP of 1)

THICKNESS (inches)	R-VALUE (°F•ft ² •h/Btu)
1	R-3.7
3.5	R-13
4	R-14
5.5	R-20

The chart shows the R-value of this insulation. R means resistance to heat flow. The higher the R-value, the greater the insulating power. Compare insulation R-values before you buy. There are other factors to consider. The amount of insulation you need depends mainly on the climate you live in. Also, your energy savings from insulation will depend upon the climate, the type and size of your house, the amount of insulation already in your house, and your energy use patterns and family size. If you buy too much insulation, it will cost you more than what you'll save on energy. To get the marked R-value, it is essential that this insulation be installed properly.
