Form must be completed and signed by applicator with proof of purchase (invoice or receipt) prior to a warranty registration number being assigned. Warranty only covers the product itself and does not warranty the application of the product by the applicator. Return to warranty@huntsmanbuilds.com for processing. Please allow 2–3 business days for processing. Copy will be sent to Product Purchaser and Building Owner email address.

Office Use: Do not process without verifying the purchase and product details. When returning to the owner and product purchaser, attach a copy of the product warranty certificate. Warranties can only be given within 90 days of product purchase or application date, whichever is the shorter term of time.
